

# What's new in IN-YACHT

By In-Yacht Team - May 2023

- **Drag & Drop** From now on just Drag and Drop your files and images to make uploads and link documents to existing objects
- **Password via email** When creating a new user or when resetting a password you can easily email your new credentials
- **New HRM Menu** New menu layout for the new Crew & Guest
- **Minor fixing** Certificate issue date is no longer mandatory, easy open of documents,

## Drag & Drop

You can now Drag and drop any documents or certificates onto the software. This will make the upload faster and with less passages

Check out our video tutorials:

## Password sent via Email

For new crew members or existing users you can now create or reset the password in a very fast and efficient way.

Just make sure that the Crew member has an email registered and In-Yacht will automatically send them the new password

## New HRM Menu

The HRM menu will now be called Crew&Guests and will have a more clear structure with crew and guests being made into their own expandable submodules.
